Emma has been advising independent schools and academies on a wide range of commercial matters for many years. She works with schools on a day to day basis to negotiate, draft and explain key terms of goods and services contracts. She puts in place inter-company agreements between independent schools and their trading subsidiaries and also advises on and drafts collaboration agreements between schools.

AWARD WINNING EDUCATION EXPERTISE

Our education team has been advising independent schools nationally for many years. Our sector-based approach enables us to bring together legal specialists from across the firm to support your school on all commercial matters.

We can help you with a full range of commercial services including:

- Terms and conditions for the purchase or supply of goods or services
- Establishing trading subsidiaries to ring-fence risk, and inter-company agreements between your school and trading subsidiary
- Hire facilities agreements
- Summer hire agreements (including for summer holiday camps and language schools ensuring protection for your school on safeguarding obligations)
- IT contracts
- Shared facilities and facilities management agreements
- Protecting Intellectual Property rights
- Collaboration agreements to agree partnership working between schools.

Prompt, practical and great value for money. Talk to us today.
