HCR FLEX

We’re innovating to meet our clients’ needs in a changing market. HCR Flex turns the traditional legal charging model on its head. You can use it to supplement or complement in-house counsel, or as an alternative to in-house counsel, as it gives you access to the commercial legal expertise you need when you need it, and allows you to control your costs. Find out what this means for your commercial legal needs by talking to Robert Capper about HCR Flex.

Webinar series: managing redundancies

In business, our people are often our biggest expense, and in order to survive, some employers may have to find ways of reducing their wage bills. Whilst this is a difficult subject for any employer, we would encourage you to think about it sooner rather than later. Our free webinar series will help, whether it's the first time you've managed a redundancy process and need an overview, or if you're managing a large-scale, complex situation. Find out more and book.
