

Motoring offences – our prices and services

We provide advice and representation at court in respect of a variety of motoring offences under Part 1 of the Road Traffic Act 1988 and s89 of the Road Traffic Regulation Act 1984, including causing death by dangerous driving, dangerous driving, causing death by careless or inconsiderate driving, driving or being in charge when under the influence of drink or drugs and speeding offences. Cases of this type can vary enormously in terms of the amount of documentation involved, the number of witnesses, the complexity of any legal issues and the number and length of any hearings. For this reason, predicting the likely total cost of representation is difficult. We have therefore provided a range of costs below and outlined some of the factors which are likely to influence where in the bracket your case will fall. We are happy to discuss your case with you and confirm a cost on a no obligation basis, so do feel free to get in touch.
